

## Congratulations to our Youth

We are so proud of our 4-H Meat Identification Judging Team for their hard work to represent Tipton County at the Western region contest that was held February 17, 2022.

February 26, in Memphis, was the 1st ever 4-H Mid-South Food Pantry Competition. Tipton County 4-H Healthy Living Ambassadors were selected to represent Tennessee at this contest. The goal was to utilize the mystery ingredients in their dish along with a myriad of other ingredients available to them in the pantry within the 45-minute time allotment. 4-H members utilized their creativity and culinary skills to create various dishes. After 45 minutes, each team presented their dish to the judges along with sharing their knowledge as it relates to MyPlate, food safety, and composting.
