Congratulations to our Judging Teams!

Poultry judging

Our Sr High Team consisted of Mitch Hopkins, Mike Hopkins, and Josh Rose all from Covington High School. Mitch received 5th highest scoring individual. This team won 3rd place at the regional contest and will be advancing to the state contest Fall of 2022.

Grace O'Neal represented Tipton County in the Jr. High Division. Our Jr Team (4-5th graders) consisted of Ryder Barnes, Dawson McDaniel, Thomas O'Neal, and Isabella Shahan. Dawson received 4th highest scoring individual and Ryder placed 3rd highest scoring individual. This team placed 2nd at the regional contest.

Wildlife judging

Our Jr. team comprised of 4th-5th graders tied for third. Team included Ava Beurrier, Colt Dees, Dawson McDaniel, Brycen Pannell, and Lily Sadowsky. Dawson McDaniel scored 5th highest scoring individual in his age division.

Our senior high team comprised of youth in high school placed 3rd and will be advancing to the state contest in June. Team included Kateri Fritz, Kira Sadowsky, Victor Sadowsky, and Annalyse Sanders. Kateri scored 5th highest scoring individual in the senior high division. This team advanced to the state contest at Cove Lake State Park and Camp Tanasi where they placed 7th!

Movie Night

(open to any youth 1st-5th grade)

Covington, TN 38019

Caution: This camp will influence problem solving, deep thinking, and tons of fun!

Join a 4-H Judging Team today

Forestry Judging

Forestry Judging trains young people in decision making skills related to forestry and forest management.

This judging team is open for youth in 5th-11th grade as of January 1, 2022.

Practices will begin soon with the regional contest scheduled for September 15, 2022.

To sign up contact Sydney Smith sydicrof@utk.edu.

FCS Skill-a-thon

Provides an opportunity for members to develop skills in a friendly but competitive setting by demonstrating the breadth of their knowledge and understanding of FCS practices and principles related to foods, sewing and housing. This contest is open for youth in 6th-12th grade as of January 1, 2022. The contest is set for August 20, 2022. Contact Brigitte at brigpass@utk.edu

Consumer Decision Making

This team trains youth in decision making skills related to purchasing decisions.

Youth will learn how to observe, compare, and make decisions based on facts collected.

This judging team is open for any youth 9th-12th grade as of January 1, 2022.

Contest is set for August 20, 2022. Contact Brigitte at brigpass@utk.edu

Grill Master Challenge

This judging team promotes the use of meat products in the diet by teaching the art and science of safely preparing beef, lamb, pork, and poultry in an outdoor setting. This judging team is open for any youth 6th-12th grader as of January 1, 2022. Practices will begin early August. The regional contest is set for September 10, 2022. To sign up contact Brigitte Passman at brigpass@utk.edu

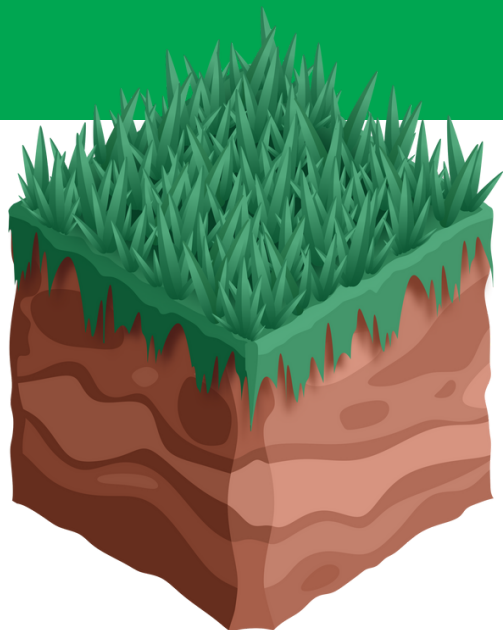

Dairy Products Judging

Youth will explore the dairy industry and learn how to evaluate appearance, texture, flavor of dairy products. Youth will work directly with milk, butter, cheese, ice cream, and yogurt. This judging team is for youth in 9th-12th grade as of January 1, 2022. The contest will take place in October . To sign up please contact Brigitte at brigpass@utk.edu

Land Judging

Youth will gain decision making skills related to soil and water conservation. Topics include how soil will be adapted to a possible home site, how soil will affect the quality of ground and surface water, how this soil can contribute to future crop success, and much more! This judging team is for youth 5th-11th grade as of January 2022. The contest is scheduled for October 4. To sign up please contact Brigitte at brigpass@utk.edu.

Youth can participate in many judging teams as they wish.

Mrs. Sydney & Ms. Brigitte will try to our best to avoid overlapping of practices!

All judging teams include experiential learning, career exploration, and field trips!

Judging teams are free to participate in but may include some supply purchases and travel expenses. Agent will inform each participate of these expenses in the beginning.

Livestock Judging

Livestock judging consists of carefully analyzing animals and measuring them against a standard that is commonly accepted as being ideal. Livestock judging also has been defined as a study of the relationship between an animal's form and function. This is open to any youth 4th-11th grade as of January 2022. To sign up please contact Sydney at sydlcrof@utk.edu.
